

CDBG-R SUBMISSION TEMPLATE **& CHECKLIST**

The American Recovery and Reinvestment Act of 2009 ("Recovery Act") was signed into law by President Obama on February 17, 2009. The Recovery Act awards \$1 billion in CDBG Recovery (CDBG-R) funds to be distributed to cities, counties, insular areas and states, of which \$10 million has been reserved by HUD for its administrative costs and \$10 million of which will be awarded to Indian tribes. Recipients of the remaining \$980 million of CDBG-R funds will be the approximately 1,200 jurisdictions that received CDBG funding in Fiscal Year 2008. This template sets forth the suggested format for grantees receiving funds from CDBG-R. A complete submission contains the information requested below, including:

- (1) The CDBG-R Substantial Amendment (template attached below)
- (2) Spreadsheet for Reporting Proposed CDBG-R Activities (see <http://www.hud.gov/recovery>)
- (3) Signed and Dated Certifications (see <http://www.hud.gov/recovery>)
- (4) Signed and Dated [SF-424](#).

Grantees should also attach a completed CDBG-R Substantial Amendment Checklist to ensure completeness and efficiency of review (attached below).

ENSURING RESPONSIBLE SPENDING OF RECOVERY ACT FUNDS

Funding available under the Recovery Act has clear purposes – to stimulate the economy through measures that modernize the Nation’s infrastructure, improve energy efficiency, and expand educational opportunities and access to health care. HUD strongly urges grantees to use CDBG-R funds for hard development costs associated with infrastructure activities that provide basic services to residents or activities that promote energy efficiency and conservation through rehabilitation or retrofitting of existing buildings. While the full range of CDBG activities is available to grantees, the Department strongly suggests that grantees incorporate consideration of the public perception of the intent of the Recovery Act in identifying and selecting projects for CDBG-R funding.

A. SPREADSHEET FOR REPORTING PROPOSED CDBG-R ACTIVITIES

Grantees must provide information concerning CDBG-R assisted activities in an electronic spreadsheet provided by HUD. The information that must be reported in the spreadsheet includes activity name, activity description, CDBG-R dollar amount budgeted, eligibility category, national objective citation, additional Recovery Act funds for the activity received from other programs, and total activity budget. An electronic copy of the spreadsheet and the format is available on HUD’s recovery website at <http://www.hud.gov/recovery>.

B. CDBG-R INFORMATION BY ACTIVITY (COMPLETE FOR EACH ACTIVITY)

- (1) Activity Name: (Grantees should follow the same order that activities are listed in the Spreadsheet for Reporting Proposed CDBG-R Activities – this will allow HUD to easily match activity narratives with the information provided in the spreadsheet.)

Activity #1 – Conversion of Building into Emergency Shelter for Abused Women.

- (2) Activity Narrative:

In addition to the Spreadsheet for Reporting Proposed CDBG-R Activities, grantees must provide a narrative for each activity describing how the use of the grantee's CDBG-R funds will meet the requirements of Title XII of Division A and Section 1602 of ARRA. The grantee's narrative must also state how CDBG-R funds will be used in a manner that maximizes job creation and economic benefit in relation to the CDBG-R funds obligated, and will address the Recovery Act, by: *This amendment involves the conversion of a vacant former office building into an emergency shelter for abused women, pregnant women, and the children of abused women. Conversion will double the building's size, enhance resident safety, increase client capacity by 40%, improve operational efficiency, and reconfigure outside uses. This project will be labor-intensive and the project architect projects a total of 65 construction jobs as a result of funding.*

- Preserving and creating jobs and promoting economic recovery: *the activity will create 65 construction-related jobs. No additional permanent jobs will be created at the shelter since the project replaces an older inadequate facility, and does not create a new one.*
- Assisting those most impacted by the recession; *many in the construction industry have been laid off or are working fewer hours than in the past. This project will create 65 construction jobs. Although these will, by nature, be temporary, they will help fill a void in the jobs picture.*
- Providing investment needed to increase economic efficiency; *the proposal would not increase economic efficiency.*
- Investing in transportation, environmental protection, or other infrastructure that will provide long-term economic benefits; *the activity does not necessarily address this factor.*
- Minimizing or avoiding reductions in essential services; or *the activity will provide enhanced shelter and services for abused women and their dependents, and will also provide for a better level of service.*
- Fostering energy independence. *The activity will employ green building techniques including energy savings features.*

- (3) Jobs Created: (Report the number of full- and part-time jobs estimated to be created and retained by the activity (including permanent, construction, and temporary jobs). *As previously indicated, 65 temporary construction jobs will be created by this project. There will be no increase, at least for now, in permanent jobs at the shelter.*

- (4) Additional Activity Information: (A description of how the activity will promote energy conservation, smart growth, green building technologies, or reduced pollution emissions, if applicable.) *The project will employ green building methods.*

- (5) Responsible Organization: (Contact information for the organization that will implement the CDBG-R activity, including its name, location, and administrator contact information)

- (1) Activity Name: (Grantees should follow the same order that activities are listed in the Spreadsheet for Reporting Proposed CDBG-R Activities – this will allow HUD to easily match activity narratives with the information provided in the spreadsheet.) *Activity #2 – Planning and Administration*
- (2) Activity Narrative:
In addition to the Spreadsheet for Reporting Proposed CDBG-R Activities, grantees must provide a narrative for each activity describing how the use of the grantee's CDBG-R funds will meet the requirements of Title XII of Division A and Section 1602 of ARRA. The grantee's narrative must also state how CDBG-R funds will be used in a manner that maximizes job creation and economic benefit in relation to the CDBG-R funds obligated, and will address the Recovery Act, by: *\$44,975, 10% of the grant, will pay for reasonable costs of developing the program and for program administration, including environmental reviews, project oversight, and reporting. This activity does not generate any of the activity identified below and no response is offered.*
- Preserving and creating jobs and promoting economic recovery;
 - Assisting those most impacted by the recession;
 - Providing investment needed to increase economic efficiency;
 - Investing in transportation, environmental protection, or other infrastructure that will provide long-term economic benefits;
 - Minimizing or avoiding reductions in essential services; or
 - Fostering energy independence.
- (3) Jobs Created: (Report the number of full- and part-time jobs estimated to be created and retained by the activity (including permanent, construction, and temporary jobs). *Program planning and administration does not directly lend itself to job creation and this item is therefore considered to be inapplicable.*
- (4) Additional Activity Information: (A description of how the activity will promote energy conservation, smart growth, green building technologies, or reduced pollution emissions, if applicable.) *Planning and Administration does not directly address this item and the question is therefore considered to be inapplicable.*
- (5) Responsible Organization: (Contact information for the organization that will implement the CDBG-R activity, including its name, location, and administrator contact information)
